

Birthday Party Catering

Let us take the stress out of party planning. Catering at Science Museum Oklahoma is provided exclusively by Lancer Hospitality and makes it easy to serve crowd-pleasers like pizza, snacks, and drinks. All food is prepared fresh in the museum's café and delivered directly to your party room at your scheduled time.

You can make your catering selections online or by phone when booking your party. Orders must be placed at least 10 business days in advance, and all orders are final once confirmed.

Prefer to bring your own food? That's perfectly fine! Using the museum's catering is optional. However, due to time and logistics, outside food deliveries are not permitted.
